- |   |   |    |
|---|---|----|
| C | F | D# |
|---|---|----|
- I want more - I want more  
And I need all the love that I can't get too  
And I need all the love I can get  
And I need all the love that I can't get too  
D'you get scared - to feel so much?  
To let somebody touch you?  
So hot, so cold, so far so out of control  
Hard to come by, and harder to hold
- 4 Verse 2

|---|---|----|
| C | F | D# |

- Some people get by with a little understanding  
C F D#  
Some people get by with a whole lot more

- I want more  
And I need all the love I can get  
And I need all the love that I can't get too  
And I need all the love I can get  
And I need all the love that I can't get too  
There are parts of me that don't get nervous, not the parts that shake  
You won't get what you deserve, you are what you take  
Learning to cry for fun and profit, I'm not done yet  
Counterfeit dollars or the English Zloty, anything I can get
