- 2 Verse 1 d C
New Day when beauty's all gone.
And blues follows a lifeless prowl
My traveled mind spins way too far
My whining head is impossible to hold
F E C d
- 3 Bridge 1 d C F E C d
My eyes are dead the dub ice cold the spies are all gone
Suddenly the sky is clear but so hard to feel
Quiet hatred blows my mind as everything around me all breaks down
As they watch - by the fires a reality you a...

- 4 Chorus 1 d B a F d
Change is all I want but I can't do it all
When the crystal world can the darkness call?
No I'm no good - you're no god
When did you tear down my fences to fall
B a F
- 5 Verse 2 d C
New day now they're breaking my wall
I'm building an army for my mental wall
Just give me your mind your head and your soul
Just give me your sun and show me your moon
F E C
- 6 Bridge 2 d C F E C d
One step closer they will sigh - Your future with the past
Heads may go so we can choose before they take you out
In shallow truth and hate your days go by - Experiments in lies
We're all in line to step aside till you stick to their plan
B a F
- 7 Chorus 2a g
They say you're insane so don't say a word
If it has a name, it has no trace - The dust makes things red
d
The life that you lived will never come back
And there's nothing easy so hit with the rain
B a F
- 8 Chorus 2b g
They say you're insane so don't say a word - If it has a name, it has no trace
The traveled mind is all about freedom The dust that you breathe makes everything red
d
Life that your lived will never come back
And there's nothing easy
B a F
So hit with the rain
