Drown in the dark we could go sailing

Always here, always on time Close call, was it love or was it just easy
Money talks when people need shoes and socks, Steady boys, I'm thinking she
needs me

A

I don't need political process

I got this feeling that they're gonna break down the door
I got this feeling they they're gonna come back for more

See I was thinking that I lost my mind
But it's been getting to me all this time

Cause I don't care where you've been
And I don't care what you've seen
We're the ones who still believe
And we're looking for a page
In that lifeless book of hope
Where a dream might help you cope
With the Bushes and the bombs
are Tranquilized
