                   G   e   h7   G   e   h7

2 *Verse 1*   **G   e   h7   F   a   G**
                   Oh no, I see - A spider web is tangled up with me
                   And I lost my head - The thought of all the stupid things I'd said

                   G   e   h7   G   e   h7

                   G   e   h7   F   a   G
                   Oh no, what's this? - A spider web, and I'm caught in the middle
                   So I turned to run - The thought of all the stupid things I'd done

3 *Chorus 1*   **A   e7**
                   And I never meant to cause you trouble
                   I never meant to do you wrong
                   I, well if I ever caused you trouble
                   Oh no, I never meant to do you harm

4 *Verse 2*   **G   e   h7   G   e   h7**

                   G   e   h7   F   a   G
                   Oh no, I see - A spider web and it's me in the middle
                   So I twist and turn - But here am I in my little bubble

5 *Chorus 2*   **A   e**
                   Singing, I never meant to cause you trouble
                   I never meant to do you wrong
                   I, well if I ever caused you trouble
                   Oh no, I never meant to do you harm
